Title: HIGH OCTANE NUMBER GASOLINES AND THEIR
PRODUCTION USING A PROCESS ASSOCIATING
HYDROISOMERIZATION AND SEPARATION

**REQUEST/PETITION TO WITHDRAW THE HOLDING OF
ABANDONMENT BASED ON FAILURE TO RECEIVE OFFICE ACTION**

Office of Petitions
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

SIR:

Applicants request that the abandonment of the above-identified application be withdrawn.

Applicants when checking the USPTO's PAIR system on December 26, 2007, realized that a Notice of Panel decision from Pre-Appeal Brief Review, was mailed on June 14, 2007. Said Notice was not received by applicants, as a result of which the application now is abandoned.

Following the guidelines outlined under MPEP § 711.03(c), under the heading "Petition To Withdraw Holding of Abandonment Based on Failure To Receive Office Action" that follows the holding in *Delgar v. Schulyer*, 172 USPQ 513 (D.D.C. 1971), applicants' undersigned representative states that the office communication, i.e., Notice of Panel decision from Pre-Appeal Brief Review, dated June 14, 2007, was not received by our firm and attests to the fact that a search of the file jacket and docket records indicates that the office communication was not received.

Attached to this statement is a copy of the docket record where the non-received Office communication dated June 14, 2007, would have been entered had it been received and docketed. No action is indicated for attorney docket number PET-

1710-C01 for July 14, 2007, which was the due date for action on the office communication dated June 14, 2007.

Granting of this request/petition is respectfully requested.

To promptly continue advancing this application to allowance, attached is an Appeal Brief. Once this petition is granted, applicants request that the Appeal Brief be forwarded to the Board of Patent Appeals and Interferences.

As indicated under the same section of the MPEP as identified above, under the heading "Petition To Withdraw Holding of Abandonment Based on Failure To Receive Office Action," no fee is due for this petition.

The Commissioner is hereby authorized to charge any fees associated with this response to Deposit Account No. 13-3402.

Respectfully submitted,

/Csaba Henter/
